

IHAM GALLERY

Iham 画廊是一个由韩国古董设计市场的两位重要人物共同创立的新型国际画廊，代理 20 世纪初具有代表性的法国设计师与当代韩国设计师。

Iham 画廊展示了一位充满热情的收藏家与一位专注于建筑设计的设计品经销商长达 30 年的长期合作。IHAM 画廊不久将在巴黎市中心开设展厅，展示其收藏与展览。

在首尔举办了颇具影响力的艺术和设计项目后，为了迎接他们第一次国际展会，Oh Hwang Taek 和 Bang Chan Chic 将展出让·普鲁威(Jean Prouvé)和皮埃尔·让纳雷(Pierre Jeanneret)的罕见作品，这两位艺术家是 20 世纪的设计先驱，热衷于将东西方文化融合在其家具和建筑设计中。这些作品将与韩国设计师的当代作品一同展出，以呈现历史性的工艺与新材料技术的结合。

展位亮点

8 个可拆卸座椅组成了一个重要而罕见的系列，由让·普鲁威(Jean Prouvé)工作室于 1952 年制作。他们的设计达到了完美的平衡。这一模型作为一个系列非常罕见。在瑞士建筑设计师皮埃尔·让纳雷(Pierre Jeanneret)和他的堂兄 Le Corbusier 指导下为印度昌迪加尔项目用柚木和铝制作的罕见杂志架。

画廊创始人介绍

Bang Chan Chic 先生是一个艺术经销商，他的工作经验始于 30 年前的法国巴黎，在经营画廊期间，他精心研究艺术市场。随后，他决定在首尔建立一个画廊，负责策展并建立他现在的合伙人 Oh Hwang Taek 的收藏。后者是一所学校和博物馆的创始人，博物馆明年将在首尔开放，以展示他的艺术和设计收藏。

Galerie Iham is a newly-minted international gallery, established by two principal actors of the Korean vintage design market. It represents both iconic French designers of the early 20th century alongside contemporary Korean designers.

Galerie Iham is the reflection of a long-term collaboration between a passionate collector and a design dealer specialized in architectural design for nearly thirty years. Galerie Iham will shortly open a showroom in the heart of Paris to host its collections and exhibitions.

After spearheading influential art and design-oriented projects in Seoul, South Korea, for their first international fair, Oh Hwang Taek and Bang Chan Chic are pleased to present rare pieces from Jean Prouvé and Pierre Jeanneret, pioneers of 20th century design, who were fascinated in mixing Eastern and Western cultures in their furniture and architecture. These pieces will be surrounded by contemporary objects from Korean designers to offer a vision of the historical craftsmanship allied with new materials and techniques.

Booth Highlights

An important and rare series of 8 demountable chairs, n°300, produced in 1952 by the Jean Prouvé Ateliers. Their design is perfectly balanced and this model is very rare as a series. A rare magazine rack in teak and aluminum created under the direction of Swiss architect and designer Pierre Jeanneret for the Indian city of Chandigarh project alongside his cousin, Le Corbusier.

Gallery Founder & Owner

Mr. Chan Chic Bang is an art dealer whose experience began 30 years ago in Paris, France where he meticulously studied the art market while leading a gallery. He then decided to establish a gallery in Seoul, curating and building the collection of his present associate, Oh Hwang Taek. The latter is the founder of a school and museum that will open next year to showcase his art and design collections in Seoul.
